Dear Ross,

On behalf of all our employees, I would like to thank you for your guidance on the renegotiation of our lease for our office space in Woodbury.

Your determination and skillful negotiation resulted in the updating of our entire space and more manageable terms. You negotiated things we would have never even thought of!

It was a pleasure working with you. We would be happy to serve as a referral for you at any time.

Thank you for your professional diligence and having our best interest in mind.
