Dear Mr. Selinger:

From all of us at Schneider Children's Hospital, we want to offer you our deep gratitude for helping to brighten the holiday season for our pediatric patients and their families.

Your giving spirit demonstrates compassion with such a wonderful and special donation of assorted toys, games, and stuffed animals. We are so grateful for your generosity and thoughtfulness. Watching our children's eyes light up when each received a special gift is always a heartwarming and fulfilling experience. Your donation really made a difference to our children during the holiday season and we really appreciate all your efforts.

You have helped to create some magic this holiday season for many children facing illness. Thank you for brightening and enriching their lives.

Sincerely,

Michael Swensen, CCLS
Coordinator of Donations
